Secure Communication to Parents

Parent Notify is a Lifetouch program that allows schools to automate communication to parents in a secure environment, saving time and money to make them aware of Picture Day.

Lifetouch has a long-standing record of secure transactions, keeping both financial and student data safe. The same care is undertaken for Parent Notify.

For more information about Parent Notify, call Lifetouch at 1-800-955-3873.
NATIONAL DISTINGUISHED PRINCIPALS PROGRAM, 2016

NAESP is pleased to feature the 2016 National Distinguished Principals (NDPs), individuals who exemplify the highest attributes of the elementary and middle-level principalship and who demonstrate significant career accomplishments; dedication to education; exemplary leadership; high standards for instruction and student achievement; and lasting contributions to their entire school communities.

This prestigious program, established in 1984, promotes and celebrates excellence in educational leadership for pre-K-8 education, and it highlights the fundamental importance of elementary and middle-level principals as primary catalysts for creating a lasting foundation for learning, driving school and student performance, and for shaping the long-term impact of school improvement.

Each class of NDPs includes principals who lead elementary and middle-level schools in both the public and private sectors and the U.S. Department of State American Overseas Schools. The individuals representing public schools are initially nominated by their peers and colleagues in their home state. Final selections are made by executives and volunteer leaders of NAESP’s state-affiliated associations. Special committees select principals from among those nominated by private education associations and from the schools affiliated with the U.S. Department of State American Overseas Schools.

Nomination and selection criteria, established by NAESP, require, among other factors, that the NDP candidate is a practicing principal of a school that (1) is clearly committed to excellence; (2) has programs designed to meet the academic and social needs of all students; and (3) has firm ties to parents and the school community. Candidates must show evidence of outstanding contributions to the community and the education profession. Visit www.naesp.org for additional details.

ABOUT NAESP
