

Downloading the Conference App

Step 1: Download AttendeeHub

On your phone/tablet web browser, type in naesp.org/conferenceapp. Click on the download button. Alternatively, go to your device's app store (App Store on Apple devices, Play Store on Android devices) and download "CrowdCompass AttendeeHub."

Step 2: Download the Event

Open the AttendeeHub app, and tap the search bar to search for the event: *NAESP Pre-K–8 Principals Conference*. Just type "NAESP" and the conference should show up. Tap download.

Step 3: Log in to your account

You will be asked to log in. Enter your first and last name, and email (**Note: Make sure it is the same email you registered with**). You will be sent a verification code to your email. Type your code into the app, and you will be logged in. If you have issues logging in, please contact appsupport@naesp.org.

Step 4: Enjoy!

Use the Conference app to find session locations, manage your schedule, receive live updates, and network with fellow attendees. Tap the "About" icon for help on how to use the app.
