Dear NAESP Member,

It is my pleasure to write a letter of support on behalf of Ed Cosentino for the position of NAESP Vice President. Mr. Cosentino has been a highly valued member who has made significant contributions to MAESP, NAESP, and Zone 3 for many years now. As a 2019 National Distinguished Principal, Ed serves as a great example of effective leadership to his school, school district, and across the state of Maryland.

While Mr. Cosentino has held numerous roles within our state organization, over the past three years he accomplished something few of his colleagues have been able to. Through his strong will, determination, and stellar communication skills, Ed increased the MAESP/NAESP membership numbers in his school district. He convinced the leadership in Howard County to fund and enroll school-based leaders in their state and national organization. This includes several aspiring leaders who Ed was able to get funded in Howard County. The added benefit of Mr. Cosentino's efforts is that we now have a significant number of Howard County members serving in our association's leadership roles. This is Ed's legacy, building networks and growing school leaders.

As our past president, Mr. Cosentino has made significant contributions to his colleagues by sharing his passion and expertise with anyone smart enough to listen. He has worked hard for this opportunity to run for NAESP Vice President. Ed takes great pleasure in meeting school leaders across the United States. He revels in the opportunity to gain wisdom from his peers. Ed Cosentino is also highly collaborative and would make a truly exceptional vice president.

I wholeheartedly endorse his candidacy.

Sincerely,

Christopher Wooleyhand
